SLOPE EXPERTS

Rent a Pro – Expertise on Demand

Professional support for slope grooming & events.
When precision, experience, and reliability matter, **Rent a Pro** is your first choice.

Your reliable partner for slopes & events.

From daily grooming to full-service race support: our experienced operators handle every terrain with any machine – efficiently and flexibly.

Whether you're dealing with short-term staff shortages, major events, or demanding grooming tasks – our **skilled snow groomer operators** are ready to support you quickly, flexibly, and professionally.

Grooming that sets new standards

Whether for a single day, multi-day event, or complex project – our experts deliver perfectly prepared slopes with efficiency, precision, and a trained eye for detail. Even in extreme conditions, we maintain full control over all machine types – ensuring maximum safety and top results.

Your benefits with “Rent a Pro”:

- ✓ **Flexible booking of experienced operators** – for both short-notice and long-term assignments
- ✓ **Professional event support** – from regional races to international large-scale events
- ✓ **Setup & grooming of race courses** – precise, safe, and efficient
- ✓ **Top-level machine expertise** – brand-independent and highly experienced
- ✓ **Tailor-made deployment planning** – precisely aligned with your requirements

Our professionals bring **international experience**, including:

- Olympic Winter Games
- World Championships
- Asian Winter Games
- FIS European & World Cup races

The **Rent a Pro** package can also be combined with other service packages.
